“Helping One Another Grow”

2018 - 2019 HANDBOOK

The mission of G.W. Smith School is to create a caring, cooperative community of learners and nurture the highest standards of behavior and achievement.

MESSAGE FROM ADMINISTRATION

The handbook explains many policies and procedures at G.W. Smith School. Please feel welcome to call if you have questions which are not addressed here.

We endeavour to provide an environment where all students feel included and are encouraged to be successful, and are offered the guidance and support they need. Please bring any concerns you have about your child’s achievement to our staff. Together we will develop a plan for success.

Volunteers provide extra talent and supervision for many programs and activities. As well, parent help in the classroom, or from home, enriches the life of the school. We encourage you to discuss with your child’s teacher the ways in which you would like to be involved. A strong partnership between home and school provides the best structure for giving support and encouragement to the children.

G.W. Smith School enjoys an outstanding reputation in the community. Our students achieve high academic standards and meet high expectations for behavior. Our focus is to provide an appropriate program for each child in a safe and caring environment which allows each child to meet success.

On behalf of the staff, we invite you to be part of the school family. We appreciate the opportunity to work and learn with your children. If you are new to our school, please stop in to introduce yourself.

Kelley Lund, Principal

Aaron Langstraat, Vice-Principal

ATTENDANCE

School attendance between the ages of 6 and 16 is compulsory according to provincial legislation. We encourage parents/guardians to ensure the regular and punctual attendance of their children in order that maximum achievement may be attained.

If your child will be absent or late on a given day, please contact the school by note (when the absence is known in advance), or by telephone (**403-346-3812 Attendance Line**).

The Attendance Line can be accessed outside of school hours to leave a voicemail message reporting an absence.

[Return to TABLE OF CONTENTS](#)

BUS RULES

1. Listen to the driver.
2. Stay seated with your back against the back of the seat. Do not get up until the bus has completely stopped. Sit in your assigned seat.
3. Keep the aisle clear. Sports equipment, backpacks, lunch kits and books should be held on your lap or placed at your feet.
4. Keep everything inside the bus. Only air goes in and out the windows.
5. No eating on the bus.
6. Stay back from the sides, wheels, and bumpers of the bus. Keep out of reaching or touching distance.
7. All school rules apply when on the bus.

[Return to TABLE OF CONTENTS](#)

CELL PHONES/ELECTRONIC COMMUNICATION

We understand that your child may need to bring a communication device to school for safety reasons, such as contacting a parent/guardian while walking home. Any devices brought to school must be turned off during the day and kept in the students' backpack. They are not to be taken out at recess or during the lunch hour. If your child will be bringing a device to school, please request an Electronic Device Agreement from your child's teacher or the office.

[Return to TABLE OF CONTENTS](#)

CLOTHING

In order to maintain cleanliness in the school, we ask that students have one pair of shoes or boots for outside wear and one pair of shoes with **non-marking soles** for inside. Students and adults are requested to remove their hats when entering the school.

At G.W. Smith, we expect students will dress in a manner appropriate for the setting, and in a way that demonstrates self-respect and respect for others. In hot weather, students should not wear clothing more suitable to the beach. The final decision about what is appropriate clothing at school will rest with the principal.

Please put your child's name on all clothing items.

[Return to TABLE OF CONTENTS](#)

GYM APPAREL

Students in all grades are required to wear running shoes for physical education classes. For safety, it is very important that students have proper running shoes that do up snugly. These running shoes can also double as a child's inside shoes. Students in grade 4-5 may also be required to wear gym shorts and a T-shirt for physical education classes. It is strongly recommended that students have a gym bag for carrying and storing their gym clothing.

[Return to TABLE OF CONTENTS](#)

HOME AND SCHOOL COMMUNICATION

It is important to maintain good communication between home and school. This communication can be initiated by either the home or the school and can take a variety of forms. Some of these are:

- drop-in Meet the Teacher Muffin/Coffee Morning
- classroom folders, communication scribblers or digital communications
- school visitation by parents
- parent volunteer activities in the school
- parent attendance at school assemblies activities and special events
- notes or letters from teacher to parent or from parent to teacher
- homework assignments
- G.W. Smith School Council
- the Scoops newsletter (emailed once/month)
- school website, Facebook, twitter and emails
- scheduled parent conferences
- report cards

Parents/guardians are invited to visit the school. You may wish to discuss your child's progress at a time other than during scheduled conferences, or you may wish to come and help in the classroom. Please call the school to make arrangements for such visits. Please call your child's teacher or the school administration as soon as any concerns arise.

[Return to TABLE OF CONTENTS](#)

HOMEWORK

Your child may be assigned regular homework such as practising sight words or math games or may be assigned work that was not completed in class or with which they require extra practise. In grades 4 and 5, it is helpful for students to review daily work to assist in preparing for assessments and to build their study skills for middle school. In order to develop good reading and comprehension skills, all students should read daily. If your child has missed school due to illness or vacation they may have work to complete.

In order to help develop a positive homework habit:

- Establish a consistent time each day for homework
- Provide a quiet place to work, with materials such as pencils and paper
- Show an interest in, and monitor, the homework your child is doing
- Ensure homework is completed promptly and returned to school
- Communicate with your child's teacher if your child is experiencing difficulty

Encourage your child to talk about their day. Rather than asking "How was school?" ask them to tell you something they learned in a specific subject.

[Return to TABLE OF CONTENTS](#)

INJURIES

Minor injuries such as cuts, bruises, and scratches will be attended to by the school but if there is any question as to the nature of illness or injury, we will attempt to contact parents/guardians.

Any child who has a head injury will be brought to the office. Parents/guardians will be contacted and will determine whether the child will remain in school or be taken for a medical examination.

Please ensure that a telephone number where a parent/guardian can be reached at all times is available to the school. Confirm with your designated emergency contacts that you have given their name and number to the school.

[Return to TABLE OF CONTENTS](#)

LION'S PRIDE

At G.W. Smith School we have Lion's Pride!

- Positivity
- Respect
- Independence
- Determination
- Empathy

[Return to TABLE OF CONTENTS](#)

LUNCH

Students who eat lunch at school are supervised by school staff. Microwaves are not available to students. We recommend that students use a thermos or bring lunches that do not require heating. Hot Lunch through the Healthy Hunger website will once again be available.

<https://www.healthyhunger.ca/>

For further information, please contact the school office.

[Return to TABLE OF CONTENTS](#)

MEDICATIONS

Non-Prescription: School staff may not administer non-prescription medications such as Aspirin, Tylenol or cough medicine. These are not available at school, and are not to be sent with students.

Prescription: School staff may only administer prescription medications if they have agreed to be of assistance and have been given appropriate instruction or training by a qualified person, which may include the parent. Authorization must be provided in writing from the parent or guardian and the physician to the principal (RDPS Regulation 4.04.02). The form to administer medicine is available on the school website. Parents/guardians are responsible for making appropriate arrangements for giving of medications. All prescription medications must be in the original container, labeled, and stored. Please do not put pills in lunch kits or coat pockets.

[Return to TABLE OF CONTENTS](#)

NUT AWARE SCHOOL

Some of our students have a life-threatening allergy to peanut products, including peanut butter. We need to ensure that all our children are safe and cared for at school, so we request your cooperation and understanding to help us protect our students from possible danger. Allergies are a medical condition that may cause death within minutes if not treated properly. Please send only food that is free from any peanut or nut products. Even peanut residue on hands, desks and equipment in the school, can cause an anaphylactic reaction in an allergic child.

[Return to TABLE OF CONTENTS](#)

SCHOOL AGE CARE

If your child needs care before or after school, on staff meeting days, and non-instructional days, please call 347-7973 to reserve space in school age care. This service is coordinated through the Red Deer Child Care Society. Subsidized fees are available. Please make appropriate arrangements for childcare if your child must arrive prior to 8:40 a.m. or remain after school past 3:45 p.m.

* Students who attend School Age are to take coats, backpacks, etc. with them. Outdoor shoes are to be left in the front boot room.

[Return to TABLE OF CONTENTS](#)

SCHOOL RULES

The following behaviors are necessary for your child's well-being and the wellbeing of others.

1. Treat others respectfully; fighting (hitting, slapping, kicking, pushing, tripping, throwing things at others, pinching, or any other touching with intention of harming or threatening others) is never permitted at school. Not even if you are provoked or angry, or even if you did not start it.
2. Speak respectfully; no swearing or cursing, no name calling or hurtful teasing.
3. Walk when you move inside the school.
4. Respect our school; do not deface or damage school property.
5. When the bell rings, enter and/or exit through your assigned boot room without running, pushing, or shouting. After footwear is neatly placed on shelves, move quietly to your classroom.
6. Every time you want to use or touch another person's belongings you must ask for and receive permission from the owner.
7. Do not bring items to school that may pose a safety risk to others or that may offend some individuals.
8. Hats may be worn on special days only.
9. Listen to and obey instructions from all staff members, including lunch supervisors and bus drivers.

STUDENT CONDUCT

At G.W. Smith School, we expect students to exhibit socially responsible and respectful behaviours so that teaching and learning can take place in a safe and caring environment. A positive school climate creates an environment in which each student is free to learn to the best of his or her ability and contributes to the prevention and reduction of misbehaviours in school. School personnel, under the direction of the principal, are to maintain order and discipline in the school, on school grounds and during school activities. Our school must be a safe and caring place for students and staff.

According to RDPS Regulation 4.02.02, students shall:

- a. Demonstrate a commitment to maintaining a safe and caring school;
- b. Demonstrate desirable personal characteristics, such as respect, responsibility, fairness, honesty, caring, loyalty and commitment to democratic ideals;
- c. Conduct themselves so as to reasonably comply with the following code of conduct:
 - i. be diligent in pursuing their studies,
 - ii. attend school regularly and punctually,
 - iii. comply fully with everyone authorized by the Board of Trustees to provide education programs and other services,
 - iv. comply with the rules of the school,
 - v. account to their teachers for their conduct,
 - vi. respect the rights of others;
- d. Be answerable for their conduct to the principal of their school on the way from home to school and from school to home, in the school building, during all time that they are on the school grounds, and during all school-sponsored activities;
- e. Be afforded information on the code of conduct with which they are expected to comply, with possible consequences for noncompliance; and
- f. Have the right to fair treatment and due process, including opportunity to account for situations and behaviours.

At G.W. Smith School we use the **Zones of Regulation** to talk about how to regulate or control our own behaviour:

- When you are in the Blue Zone your body is running slow (tired, sad, etc.).
- When you are in the Green Zone you are “good to go”. You may feel happy, calm and focused.
- When you are in the Yellow Zone you are starting to lose control (frustrated, silly, anxious, etc.). You need to slow down and proceed with caution.
- When you are in the Red Zone you are out of control (uncontrolled anger, terror, elation, etc.). If you are in the Red Zone you will not make good decisions and you need to STOP!

We use the terms “expected” and “unexpected” to talk about behaviours. Expected behaviour is specific to the activity. Expected behaviour during quiet reading looks different than expected behaviour on the playground.

When you behave in an unexpected way (yelling, name calling, being grumpy, running around the room, etc.) it changes the way other people feel. It makes people anxious, uncertain, frustrated, angry etc. They may start to have uncomfortable thoughts about you and think you are not fun, safe or easy to play or work with.

Each student should be able to identify some tools or strategies they can use to either calm down (if they are in the yellow zone) or become more alert (if they are in the blue zone). They might take deep breaths,

use a fidget, stretch, listen to music, go for a walk, etc.
[CONTENTS](#)

[Return to TABLE OF](#)

SUPPLIES

Once again, we are offering a program that allows parents the option of ordering a package of school supplies specific for your child's grade. Parents who do not wish to purchase supplies through this program will receive a list of required school supplies in the June report card. Lists will be available upon request and to new students on the first day of school. Scribblers are provided by the school. All other supplies can be purchased at any store which sells school supplies. Please do not send items, such as white-out, which are not on the list.

[Return to TABLE OF CONTENTS](#)

VALUABLES

Discretion is advised in determining the types of valuables students bring to school from home. Items of considerable sentimental or monetary value should be kept at home, as the school lacks facilities to secure valuables. Gaming devices are not to be brought to school.

[Return to TABLE OF CONTENTS](#)

VOLUNTEERS

We welcome and encourage parents or other members of our community to support us through various kinds of volunteer work. All individuals acting as volunteers on behalf of a school program must provide, to the Principal, a criminal record check and have two personal references. A volunteer package can be picked up from the office.

[Return to TABLE OF CONTENTS](#)

WEATHER

Visit our website for the latest weather updates from the *G.W. Smith Weather Station*. When the temperature is extremely cold (below -20°C including wind-chill) according to the GWS weather station, students will be kept indoors.
