Harbour House 403-347-0181

5246 53 Avenue, Red Deer

Based on a Housing First model this housing program is designed to provide housing and support for eight individuals who are considered to be the most vulnerable in our community and who have the most difficulty accessing and sustaining housing. It is not necessary for them to give up their addiction to maintain this type of housing. Individuals with the greatest need are “screened in” rather than “screened out” due to the complex needs of the tenants, Harbour House operates with a 24-hour staffing model. As always, our emphasis is about reducing the harm to improve health. Harm reduction strategies provide a realistic health approach for this group of people.

FINANCIAL SUPPORT FOR EXTRACURRICULAR ACTIVITIES

Jumpstart 1-844-YES-PLAY

When families need a little financial boost to get kids involved in a sport, dance team or other active program, they need to fill out an application. This needs to be done before the fees are due, as the money goes right to the organization. Applications for assistance can typically be submitted from January 15 to November 1; with the goal for funding to be equitably distributed over Spring/Summer and Fall/Winter activities.

Your family meets our financial need requirements and your kid is registered, but what about the skates/cleats/racquets/gloves/helmets/uniforms they need to play? Not to worry. Jumpstart has you covered. The application asks for equipment details. Funds can also be provided for adaptive equipment to help kids with special needs.

<http://jumpstart.canadiantire.ca/content/microsites/jumpstart/en/apply.html>

KidSport 403-314-4737

104, 4920 51 Street Red Deer

The PChAD Act helps children under 18 years of age whose use of alcohol or drugs is likely to cause significant psychological or physical harm to themselves or physical harm to others. The PChAD program allows you, as a legal guardian, to ask the Court for a protection order. This order will mean your child can be taken to a protective safe house for up to 10 days, even if he/she does not want to go. During this period, your child will be provided with a structured and protective setting in which to begin detoxification, while providing parents an opportunity to get involved in the process. The time spent in the protective safe house also allows counsellors a chance to assess your child's substance use and offer treatment recommendations to follow once they have been discharged from the program.
